

RG-9932 SHOWER DOOR HINGE

Short Description

A shower door hinge of premium quality with concealed fixings for secure elegance. Our shower hinges are made of brass, thanks to which they retain their properties for a very long time, and the choice of finish (chrome, matte black, or gold) will allow you to adapt the shower design to your needs.

Description

A shower door hinge for 180° glass-to-glass mounting, available in three exquisite finishes: chrome, matte black, and luxurious gold.
